

## **OZZIE:** Light & Stable Family Kayak

A kayak made for fun, the Viking Ozzie shows what recreational kayaks should be capable of, playing in the waves, exploring waterways, or even launching through the rocks to find out what's just around the corner. Much more than just a toy, this is a kayak that will take kids of all ages on an adventure. It's short, light, and easy to manage, yet has the stability and capacity to take paddlers up to 120kg.
